Q: What are shopping cards?

A: Shopping Cards are prepaid cards, which means you load money onto the card before you shop. We currently provide Shopping Cards for many retailers across the UK allowing you to save with a broad range of high street brands. Simply order the cards online and you'll receive them in the post within 3 business days. Each time you use your Shopping Card, the total amount spent with the retailer will be automatically deducted from the value of the Shopping Card. Reloadable Shopping Cards can be topped up online at any time. My Barratt Staff Shop offers over 75 discounted shopping cards and gift vouchers from most of the UK's largest retailers.

Q: How do I top-up my Reloadable Shopping Card?

A: Once you are on the main Shopping Card page, you will find "My Orders" next to "My Basket", underneath the site's search bar. From "My Orders", you will be able to view your Shopping Card purchases in their entirety, as well as listing your past orders by Reloadable Shopping Cards. This is where you will be able to top-up your chosen Shopping Card.

Q: Can the Shopping Cards be used online?

A: Many retailers offer e-gift cards which provide a code which can be used online.

Q: What are the different types of offers when purchasing shopping cards and gift vouchers?

A: There are two types of offers - WOWPoints and Upfront Discounts. When you shop through a WOWPoints offer, you will earn WOWPoints on your purchase (see below information about WOWPoints). When you shop through an upfront discount, you will either be supplied with an Offer Code or the discount will be automatically applied. This will be detailed on the Offer Detail Page.

Q: If I purchase a shopping card or gift vouchers, are there any postage and packing charges that apply to me?

A: When purchasing vouchers or shopping cards through 'My Shopping' there is no postage applicable. All Paper Gift Voucher orders through My Voucher Super Sale are also sent by Recorded Delivery free of charge.

Q: Will I get cashback on online purchases?

A: Yes. My Barratt Staff Shop provides access to cashback from purchases made with hundreds of online retailers. This cashback is credited in the form of WOWPoints (100 WOWPoints = £1) which can then either be converted into cash and transferred into a bank account or spent on the site.

Q: How do WOW points work?

Each WOWPoint you earn is worth 1p, so 100 WOWPoints = £1. Receive WOW points in 3 easy steps:

1. **Browse** - Browse 1,000s of WOWPoints offers from top merchants.
2. **Shop** - Click Shop Now to visit the retailers site, and shop as usual.
3. **Earn** - The retailer will tell us you've made a purchase, and we will award you with WOWPoints.

Q: What can I do with WOWPoints?

A: WOWPoints are just as good as cash, and you can redeem your WOWPoints in a number of ways through My Barratt Staff Shop. You can:

1. **Buy Shopping Cards** - Redeem your WOWPoints for discounted Shopping Cards at top retailers.
2. **Buy Cinema Tickets** - Buy instant and paper cinema vouchers with your WOWPoints.
3. **Pay with WOWPoints** - Choose to pay with WOWPoints when you shop online at a WOWPoints merchant.
4. **Transfer to bank** - Transfer your WOWPoints straight to your bank account.

Q: What is WOW Week?

A: My Barratt Staff Shop have secured the strongest offers from the most popular merchants, on the first week of every month. Enjoy extra special savings during WOWWEEK.

Q: I've heard that the My Barratt Staff Shop provides discounts on cars. Is this correct?

A: Yes – One of the biggest savings that can be made is when buying a car. My Car enables colleagues to purchase a used car from one of the UKs largest and most respected wholesalers of pre-owned cars - Greenhous Group - without having to pay the usual dealer mark up. The typical savings are around £1,500. You can also get similar deals on everything to do with cars - including new cars, leasing & insurance.
